ORDER GRANTING IN PART AND DENYING IN  
PART DEFENDANTS' MOTION TO COMPEL RESPONSES TO  
DEFENDANTS' SECOND SET OF INTERROGATORIES TO ALL PLAINTIFFS

This matter is before the court on Defendants' Motion to Compel Responses to Defendants' Second Set of Interrogatories to All Plaintiffs, filed on December 19, 1997.<sup>1</sup> On January 20, 1997, this court issued Practice and Procedure Order No. 5 which allows Defendants to elicit from each plaintiff "[t]he name of every health care provider by whom the plaintiff has been treated or examined for any reason whatsoever *during the ten-year period prior to insertion of Norplant . . .*" See Order of January 20, 1997 (emphasis added). In an Order signed May 28, 1997 (hereinafter "May Order"), this court granted Defendants' request to clarify Practice and Procedure Order No. 5. The May Order requires plaintiffs not only to provide information on every healthcare provider treating each plaintiff during the ten-year period prior to the insertion of Norplant, but also to provide information on every health care provider furnishing such treatment during the period of time from the date of insertion to the present. See Order of May 28, 1997.

Pursuant to the May Order, Defendants propounded a second set of interrogatories designed to elicit this additional information. See Mem. in Supp. of Defs' Mot. at 1. On August 13, 1997,

---

<sup>1</sup>Defendants filed a Motion for Leave to File Supplemental Memorandum in Support of Defendants' Motion to Compel Responses to Second Set of Interrogatories to All Plaintiffs on March 24, 1998. The court ORDERS that this motion is hereby GRANTED. Defendants filed an additional supplemental memorandum in support of its motion to compel on March 31, 1998.

Defendants allegedly began serving this second set of interrogatories to all plaintiffs. *Id.* As of the date of the filing of their motion, Defendants had served 26,202 plaintiffs with their second set of interrogatories, but had allegedly received only 1,535 responses. *Id.* As a result of some plaintiffs' alleged failure to comply with their discovery requests, Defendants petition this court to enter an order compelling plaintiffs to respond to their second set of interrogatories within 14 days. *Id.* at 2.

In determining whether to grant Defendants' request, the court notes that the May Order "allows [p]laintiffs 60 days from the service of interrogatories to respond; provided that no law firm shall be required to respond to requests for more than 100 plaintiffs in any 60-day period; except that, if a law firm represents more than 600 plaintiffs, it shall divide the total number of such plaintiffs by six, and the dividend shall be the number of plaintiffs for whom responses shall be made every 60 days." *See* Order of May 28, 1997.

With these facts and prior rulings in mind, the court makes the following rulings:

- 1) Plaintiffs represented by the law firm of Parker & Parks, L.L.P. ("Parker & Parks") filed responses to Defendants' motion on January 6, 1998, and April 6, 1998.<sup>2</sup> Defendants allegedly served the plaintiffs represented by Parker & Parks with their second set of interrogatory requests on August 14, 1997. *See* Supplemental Mem. in Supp. of Defs.' Mot. to Compel at 2. At that time, Parker & Parks represented approximately 827 plaintiffs in the Norplant Products Liability Litigation. Given the courts holding in Practice and Procedure Order No. 5, Parker & Parks was required to have provided Defendants with discovery responses for approximately 275 of these plaintiffs by December 12, 1997. In its April 6, 1998, response, however, counsel for plaintiffs indicated that as of that date, only 248 plaintiffs had provided responses to Defendants' second set of interrogatory requests. *See* Pls.' Resp. at Ex. A; *see also* Pls.' Supplemental Mem. in Resp. to Defs.' Mot. to Compel at 1-3. As a result, the court ORDERS that Defendants' motion, as it pertains to the plaintiffs represented by Parker & Parks who

---

<sup>2</sup> Plaintiffs represented by Parker & Parks filed a Motion for Leave to File Supplemental Memorandum in Response to Defendants' Motion to Compel, on January 22, 1998. The court ORDERS that this motion is hereby GRANTED.

have failed to respond to Defendants' second set of interrogatories in violation of the filing deadlines enumerated in Practice and Procedure Order No. 5, is hereby GRANTED. The court ORDERS these plaintiffs to provide Defendants with the number of responses necessary to fully comply with Practice and Procedure Order No. 5 by June 11, 1998.<sup>3</sup>

- 2) Defendants allegedly served Plaintiffs represented by the Provost & Umphrey law firm ("Provost Umphrey") with their second set of interrogatories on August 14, 1997. *See* Defs.' Supplemental Mem. in Supp. of Mot. to Compel at 1. At that time, Provost Umphrey represented approximately 1,370 plaintiffs in the Norplant Products Liability Litigation. Given the court's ruling in Practice and Procedure Order No. 5, Provost Umphrey was required to have provided Defendants with discovery responses for approximately 457 of these plaintiffs as of the date of the filing of the present motion on December 12, 1997. Defendants note that as of March 23, 1998, Provost Umphrey had provided discovery responses for only 353 plaintiffs. *See* Supplemental Mem. in Supp. of Defs.' Mot. at 2.

Plaintiffs represented by Provost Umphrey filed a response to Defendants' motion on March 25, 1998, indicating that six plaintiffs listed in Defendants' motion have answered Defendants' second set of interrogatory requests and should not be a part of this court's Order compelling discovery. *See* Provost & Umphrey Pls.' Resp. at Attach. A. With the addition of these six plaintiffs, the total number of responses to Defendants' second set of interrogatories provided by Provost Umphrey is 359. As a result, the court ORDERS that Defendants' motion, as it pertains to the plaintiffs represented by Provost Umphrey who have failed to respond to Defendants' second set of interrogatories in violation of the filing deadlines enumerated in Practice and Procedure Order No. 5, is hereby GRANTED. The court ORDERS these plaintiffs to provide Defendants with the number of responses necessary to fully comply with Practice and Procedure Order No. 5 by June 11, 1998.<sup>4</sup>

- 3) Plaintiffs represented by the law firm of Ness, Motley, Loadholt, Richardson & Poole, P.A. ("Ness Motley") filed a response to Defendants' motion on March 24, 1998. In their response, the Ness Motley plaintiffs indicate that

---

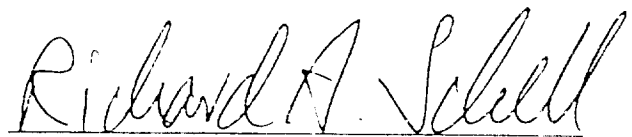

<sup>3</sup> The court notes that as of June 11, 1998, the combined effect of this Order and Practice and Procedure Order No. 5 will require Parker & Parks to have provided Defendants with discovery responses from a total of approximately 690 plaintiffs.

<sup>4</sup> The court notes that as of June 11, 1998, the combined effect of this Order and Practice and Procedure Order No. 5 will require Provost Umphrey to have provided Defendants with discovery responses from a total of approximately 1,142 plaintiffs.

they have included the information requested in Defendants' second set of interrogatories in their answers to Defendants' first set of interrogatories, and as a result, responses to Defendants' second set of interrogatories are unnecessary. *See* Ness Motley Pls.' Resp. at 2. Given these representations, the court ORDERS that Defendants' motion, as it pertains to the plaintiffs represented by Ness Motley, is hereby DENIED. However, the court ORDERS these plaintiffs provide Defendants' counsel and the court with certification that their prior interrogatory answers included information on all healthcare providers for the proper period of time in question by May 11, 1998.

- 4) Plaintiff Mary Voigt ("Voigt") in the case *Voigt, et al. v. Wyeth, et al.*, Case No. 1:97-CV-7412, filed a response to Defendants' motion on January 8, 1998. In her response, Voigt indicates that she included the information requested in Defendants' second set of interrogatories in her answers to Defendants' first set of interrogatories, and as a result, responses to Defendants' second set of interrogatories are unnecessary. *See* Pls.' Resp. to Def.s' Mot. at 1. Given these representations, the court ORDERS that Defendants' motion, as it pertains to Voigt, is hereby DENIED. However, the court ORDERS Voigt to provide Defendants' counsel and the court with certification that her prior interrogatory answers included information on all healthcare providers for the proper period of time in question by May 11, 1998.
- 5) As to the remaining plaintiffs who are subject to Defendants' motion, the court ORDERS that Defendants' motion is hereby GRANTED.<sup>5</sup> Further, the court ORDERS these plaintiffs to provide Defendants with the number of responses necessary to fully comply with Practice and Procedure Order No. 5 by June 11, 1998.

SIGNED this the 10<sup>th</sup> day of April, 1998.

RICHARD A. SCHELL  
UNITED STATES DISTRICT JUDGE
